

THE BLOOMFIELD CITIZEN.

SATURDAY, OCTOBER 11, 1890.

A Public Need.

Bloomfield has many things of which it may be proud, but among them there cannot be counted a Public Hall. There are, it is true, two or three halls, but not such as answer the purposes of such a building as is certainly needed here. The Fabrics Building, at least a pair of blocks, has now become an eyesore. It is slowly falling into decay. The quicker it falls the better. How the money that this ugly structure has been properly expended, Bloomfield might now have a Public Hall of which to boast. Experience is sometimes, as in this case, costly, and it is that reason its lesson should be well remembered.

Our village now needs a hall, not for a hall adapted for amusements of various kinds. There are lecture, fair and concert to be given, but to suitable place in which to give them. Our people consequently are in the way of amusements and instruction. Recreations had been the churches, but the entertainment that can be given in a church are limited in character. What is needed is a hall of sufficient size, well ventilated, with comfortable seats and adapted for any kind of an entertainment from a church fair to a political meeting. Such a building could be made to serve many useful purposes, and at the same time be an ornament to the town. Many an entertainment that would be held in a hall would be held in a hall. It is high time we had such a hall.

If public subscriptions sufficient in number cannot be had, it would seem as though private enterprise might undertake the building of such a hall with the assurance of a fair financial return from the grateful patronage of our citizens. It is suggested that the Y. M. C. A. put up a hall such as would fully meet all the demands spoken of. Should the National Bank and the Savings Institution combine and together erect a building we might have the hall desired and the banks at the same time have fine quarters.

The Mountain Side Hospital. ELECTION OF A BOARD OF GOVERNORS. THE PROPOSED FAIR.

A meeting of the persons interested in the Mountain Side Hospital project will be held at the Methodist Episcopal church in this place, on Friday evening, October 11th, at eight o'clock. Address on the subject of a hospital, will be made by Rev. Dr. Bradford and Rev. J. A. Owen of this place, and by Rev. Mr. Ballantine of Bloomfield.

A Board of Governors will probably be elected at this meeting. The Board is composed of twelve members, from Montclair, two from Bloomfield, and six from Caldwell and Verona.

Bloomfield has agreed to contribute not less than \$1,000 annually for the support of the hospital.

The fair, which is to be held in aid of this hospital, on the 23d, 24th and 25th inst., will doubtless comprise many noteworthy attractions. There will be no fewer than sixteen booths, an ample supply of ice-cream, etc., with the usual daily and the best of the season. The fair will be a success. The details are not all in shape as yet, but will be announced in the course of a few days.

County Normal Class. The Essex County teachers have arranged for the organization of a County Normal Class to pursue a course of professional study and training during the school year. The course of study and the corps of instructors will be as follows:

1. Principles and methods in arithmetic, Vernon L. Davey, superintendent of schools, East Orange.
2. Language, State and Grammar, Prof. Mary E. Hyde, State Normal College, Albany, N. Y.
3. Penmanship and Drawing, Robert B. Jacobs, Greenwich, Conn.
4. History and Principles of Pedagogy, Charles J. Major, principal of Elmwood school, East Orange.

The first session of this class will be held at Ashtad school building, East Orange, on Saturday, October 11th, from 10 o'clock. All teachers of the county or vicinity are invited to attend the first session, whether intending to join the class or not.

Happy Hobbies. Wm. Timmons, Disturber of Liberty, Ind. writes: "Electric Hobbies has done more for me than all other medicines combined. For the last year I have been suffering from kidney and liver trouble. I have tried many remedies, but nothing has done me any good. I have been told of your 'Electric Hobbies' and I have bought one. I have used it for a few days and I feel like a new man. I have been told of your 'Electric Hobbies' and I have bought one. I have used it for a few days and I feel like a new man. I have been told of your 'Electric Hobbies' and I have bought one. I have used it for a few days and I feel like a new man."

A Word About Carpet Tying. Owing to the scarcity of getting any good carpet laying in town, I would like to call the attention of my patrons that I have now in the market the best Carpet Tying Lining in the market which I had made on special order, and I am willing to purchase the same at a low price. I am willing to purchase the same at a low price. I am willing to purchase the same at a low price.

THE BLOOMFIELD CITIZEN. THE HOSPITAL PROJECT. A LETTER FROM DR. M. C. WHITE TO HIS FRIENDS.

Dr. Editor: There seems to be some feeling upon the part of a few of the residents of our town, that the proposed new hospital is an unnecessary expense. The fact is, that the hospital is a necessary expense. The fact is, that the hospital is a necessary expense. The fact is, that the hospital is a necessary expense.
